### Disclaimer

Precigem owns all documents submitted as an entry to the competition. This includes all Executive Summaries, Business Plan Documents and Presentations. Precigem may use these documents and ideas for profitable and/or non-profitable purposes without prior approval from or notice to any member of the team. Precigem may also release these documents to other companies or individuals without prior approval from or notice to any team member. The team members release all right of monetary returns from Precigem for the documents and ideas submitted as an entry to the Precigem Business Plan Competition. Precigem does not commit to invest in any Business Plans even if it received a prize in the competition. On the contrary, Precigem may invest in a Business Plan that did not receive any Prizes if it deems it commercially viable and risk worthy.
